• WordPress Website Developer, • UI/XI • Flutter •HTML • C Language • Website Design • Website SEO Knowledge

Projects

• Share My Way App

Welcome to ShareMyWay, your go-to app for convenient and sustainable ride-sharing! Whether you're looking to request a ride or share your journey with others heading in the same direction, ShareMyWay brings people together to make commuting smarter and more affordable.

With an intuitive user interface and seamless features, connecting riders and drivers has never been easier. Using Ola Map API and Ola Routing API, we provide accurate navigation and efficient route planning. Communication is effortless with an integrated chat system, enabling users and drivers to coordinate rides effectively.

Safety and reliability are at the heart of ShareMyWay, backed by Firebase Authentication for secure logins and Firebase Realtime Database for live ride requests and updates. Whether you need a ride to work or want to pool a ride to reduce costs and emissions, ShareMyWay is here to redefine your commute.
